USE ON / IDEAL FOR

- Bathroom partitions, phone booths, bus stops, wall tiles, trains, lockers, aluminium siding, road sign, glass, metal surfaces, certain plastics & rubbers, whiteboards.
- Ideal for municipal departments: street & sign crews, councils, schools, sports facilities, trains, buses, offices.

FEATURES:

- 20% Plant Based Formula. Made with Caster Seed & Beetroot Solvent .
- Does not contain methylene chloride, MEK, white spirit, toluene or other chlorinated solvents.

INSTRUCTIONS FOR USE: For solvent sensitive surfaces, test in a hidden area and minimise contact time.

STEP 1: Put on gloves. Remove lid, break seal and pull first wipe through opening. Lift the tab on the lid, take the wipe out as far as perforation, then pull it sharply horizontally to separate wipe.

STEP 2: Wipe over graffiti and leave for 1 minute to allow the chemical to work.

STEP 3: After 1 minute remove graffiti by rubbing in circular motions, using different areas of the wipe as the towel absorbs unwanted marks.

STEP 4: Once surface has been cleaned, rinse surface with water and wipe dry to ensure all graffiti removing actives cease.

MATERIALS:

- Special blend cloth of natural fibres
