WHAT THEY DO: EFFECTIVE CLEANING AND DEGREASING OF HANDS AND SURFACES.

- Powerful degreaser for glue, oil, grease, ink and fresh paint.
- Eliminates diesel, fuel, oil and kerosene odours.
- Soap-free and residue-free leaving hands soft.

USE ON / IDEAL FOR

- Industry, printing works, garages, warehouses, mechanical workshops, municipal departments, mobile mechanics.

FEATURES:

- 74% Plant Based Formula
- Contains natural ingredients: Sugar Beet Solvent & Coconut Surfactant.
- It is hypoallergenic and does not irritate the skin.
- Use on a variety of surfaces including metals, tools and hands.

INSTRUCTIONS FOR USE:

STEP 1: Remove lid, break seal and pull first wipe through opening. Lift the tab on the lid, take the wipe out as far as perforation, then pull it sharply horizontally to separate wipe.

STEP 2: Delicately wipe down the contaminated surface to ensure you are trapping the grease within the wipe.

STEP 3: A single cloth can absorb the majority of the grease and grime. For a more comprehensive clean, use another cloth to re-wipe the surface to pick up any residual grease.

STEP 4: You may also use a wipe for cleansing your hands and skin leaving them grease free and soft.

MATERIALS:

- Special blend cloth of natural fibres
- Ethanol, Alcohols, Ethoxylated
